

	COUNTY OF SAN BERNARDINO  STANDARD PRACTICE	NO.: 2-311  By: Gary McBride	ISSUE: 1  Page 1 of 2  EFFECTIVE: July 13, 2004
DEPARTMENT	PUBLIC HEALTH	APPROVED:	
SUBJECT	Information Security  <b>AUTHORIZATION FOR RELEASE OF INFORMATION FORM</b>	JAMES A. FELTEN, MPA PUBLIC HEALTH DIRECTOR	

#### I. PURPOSE:

This Policy establishes an “official” Public Health Authorization for Release of Information Form that is compliant with both the Confidentiality of Medical Information Act (CMIA) and the Health Insurance Portability and Accountability Act (HIPAA).

#### II. POLICY:

Public Health Programs shall use the Authorization for Release of Information Form for requests for individually identifiable, or protected health information **that is not an authorized disclosure or required by law.** This applies to requests initiated by:

- The client, his or her legal guardian, or personal representative
- Persons or organizations that are not part of the specific Program’s workforce

#### III. SCOPE: This Policy applies to all divisions of the Department of Public Health (DPH).

#### IV. NEW FORM:

- Authorization for Release of Information (English) Form # 900.186.H13
- Authorization for Release of Information (Spanish) Form # 900.187.H13

#### V. OBSOLETE FORMS:

The new Authorization for Release of Information replaces and renders obsolete the English and Spanish versions of the following forms:

- Release of Medical Records Direct to Patient or Parent/Guardian Form # 900.005.H13
- Authorization For Release of Information From The Medical Record Form # 900.031.H13

#### VI. AMPLIFICATION:

This Policy applies to any “individually identifiable health information” (IIHI) or “protected health information,” (PHI) related to an individual receiving services by Public Health.

IIHI or PHI is any information, including demographic information, whether in oral, electronic or written form that:

- Is created or received by a Public Health Program and
- Relates to the past, present or future physical or mental condition of an individual, or
- Relates to the past, present or future payment for the provision of health care to an individual.

IIHI or PHI:

- Identifies the individual or
- There is a reasonable basis to believe the information can be used to identify the individual.

IIHI or PHI includes any unique identifying numbers, codes or characteristics including, but not limited to the individual's:

Name Address Birth Date Social Security # Telephone #	Fax # Cell Phone # E-Mail Finger or Voice Prints	Photographic Images Vehicle or Device Serial # Names of Relatives Names of Employers	Medical Record # Health Plan Beneficiary # Account # Certificate or License #
---	---	---	--

**VII. PROCEDURES:****A. Requesting Information**

Public Health requests involving the use or disclosure of IIHI or PHI shall be made by means of the Authorization for Release of Information Form. The procedure requires:

1. Completing the Authorization for Release of Information Form.
2. Verifying the identity of the individual (client, parent, guardian, etc.) authorized to sign the form.
3. Verifying their authority of the individual (client, parent, guardian, etc.) to access the IIHI or PHI.
4. Obtaining the individual's signature.
5. Making 2 copies of the form.
  - o Providing one copy to the individual for the client's records.
  - o Placing one copy in the client's file for our records.
6. Sending or delivering the original to the person or organization to provide the information.

**Note:** Under no circumstances shall Public Health ask an individual to sign a blank Authorization form.

**B. Providing Information**

Public Health may provide IIHI or PHI to another person or organization pursuant to receipt of a valid Authorization for Release of Information Form. The procedure requires:

1. Determining if it is a valid Authorization Form. This is done by ensuring that it contains the following core elements and notification statements:

Core Elements	Notification Statements
<ul style="list-style-type: none"><li>• Name &amp; organization - providing the PHI</li><li>• Name &amp; organization - receiving the PHI</li><li>• Information to be used or disclosed</li><li>• Purpose for each use or disclosure</li><li>• An expiration date (not event)</li><li>• Signature &amp; date</li></ul>	<ul style="list-style-type: none"><li>• A right to revoke clause</li><li>• Conditioning of treatment clause <i>Stating whether or not treatment, payment, enrollment or eligibility for benefits is conditioned on signing the Authorization and if so, what are the consequences.</i></li><li>• Subject to redisclosure clause <i>The person or organization receiving the information may no longer protect the information.</i></li><li>• Copy of the authorization clause <i>The individual will be provided a copy of the authorization.</i></li></ul>

2. If the Authorization **contains** all of the required core elements and notification statements, Public Health may release the information.
3. If the Authorization **does not contain** all of the required core elements and notification statements, Public Health may not release the information. (Proceed to step C.)

**C. Obtaining a Valid Authorization**

Public Health may obtain a valid Authorization by sending the requesting party a copy of our Authorization for Release of Information and request they complete it and resubmit the request.

**D. Minimum Necessary**

Public Health shall limit the use or disclosure of IIHI or PHI to the minimum necessary to accomplish the intended purpose of the request.

**E. Fee Requirement**

If the Public Health Program requires a fee to cover staff time and costs related to processing an Authorization, the fee for service shall be entered on the second page of the Authorization for Release of Information.
